## Graduate School Regulations

1. Sixteen semester hours shall be maximum load for students devoting full time to graduate study. Only full-time students may register for more than eight semester hours of course work in any one semester, including courses on campus extension courses, and courses to be transferred from other institutions.
  2. After a graduate student has completed his registration, it cannot be changed without approval of the Director of the Graduate School. The adjustment will originate in the office of the Director, and the change-of-course must have the approval of the student's advisor and the Director.
  3. Failure to give official notice of withdrawal in writing will result in a grade of "F" in each course for which the student was registered. Address your notice of withdrawal to the Director.
  4. To become a candidate for a degree, the student must file an application on blanks available at the Office of the Director. The application must contain plan for a complete program of graduate study and be approved by a faculty advisor in both the major and minor areas.
-
